Southeast Iowa Case Management

It is the mission of Southeast Iowa Case Management, (SICM) to assist MH/ID/DD/BI individuals in achieving their greatest potential and to maximize their quality of life. SICM promotes consumer driven services based upon the person's strengths and needs and will assist individuals in the process of increasing independence in settings that are least restrictive, age appropriate, and integrated into the community. Case Managers will inform individuals of their rights and responsibilities as citizens, investigate an array of funding options and encourage the use of natural supports in the individual's community.

Iowa Children at Home Program

Children at Home (CaH) is a non-profit program of the Iowa Family Support Network and can help families caring for a child (up to age 22) with a disability by providing financial assistance for items or services not covered by other programs. Examples: special adaptive devices, out-of-area travel expenses, nutritional supplements, respite care or educational seminars for caregivers, special camps, and items to make your home safe or more accessible for a child.

Central Iowa Crisis Line

Central Iowa Community Services has contracted to provide a Crisis Phone Line for residents living in a 10-county area. People can call for a variety of reasons including: a major loss, such as the death of a loved one, a divorce or a serious illness, or it could be a series of smaller problems that have compounded and become overwhelming. A crisis is any stress or pressure that has become too great for a person to cope with alone.

Trained, compassionate telephone counselors are available 24 hours a day, 365. All contacts are confidential.

Toll-Free Crisis Line: 800-332-4224

Online Chat Counseling: www.Foundation2CrisisChat.org

Maternal & Child Health

For children 0-21 years old and women who are pregnant, or just had a baby. This program assists in finding healthcare coverage and healthcare providers or dentists, provides education to promote a health pregnancy, evaluates emotional stress and family adjustment to pregnancy and parenting, arranges transportation to medical and dental appointments, provides nutritional education, and a home visit after you deliver your baby.
