For immediate release: April 21, 2022

Marion County Public Health

(Knoxville, IA) – Thursday morning at 7:45am Fire and EMS crews responded to a call at Marion County Public Health, with individuals reporting the smell of gas. Crews arrived on scene and detected levels of Carbon Monoxide throughout the building. All employees were evacuated, and no one was injured.

Marion County Public Health will be closed today Thursday April 21st, 2022 and will reopen Friday April 22nd, 2022, at 8am.

Media inquiries should be directed to Emily Feagins via phone at 641-828-2256, or email at efeagins@marioncountyiowa.gov Monday – Friday from 8:00 AM – 4:30 PM.
