

Public Health Newsletter

MARION COUNTY

Marion County Public Health

Marion County Public Health provides a variety of programs that support and enrich our community. Here are a few we're highlighting this month!

Mom's Meals

Marion County Public Health partners with Mom's Meals to provide nutritional meals to those ages 60 and older. Meals are available to all seniors anywhere in Marion County, except for inside the city limits of Knoxville. The cost of meals is figured using a sliding fee scale.

Foot Care Clinics

Maintaining proper foot care is important! Our foot and nail care clinics provide basic foot care (trimming and filing toenails) at various locations within Marion County each month. We also provide annual sensory testing for diabetic patients.

Fees: up to \$30 per visit depending on income

Care for Yourself

The Iowa Care for Yourself Breast and Cervical Cancer Early Detection Program provides free or low-cost breast and cervical cancer screenings for Iowans between the ages of 21 and 64. Services include: pap tests, HPV tests, pelvic exams, clinical breast exams, mammograms, diagnostic testing, and patient navigation.
